

SCOTT LAKE LODGE

MAINTENANCE

Position overview:

We are looking for hard working, adventurous, and customer service minded people to join our **Maintenance** team for our 2025 summer season! The maintenance role is made up of many different elements that help to keep our operation running smoothly and our guests happy, with a heavy focus on safety. Located on an island, this is a remote position which includes accommodation and has room for growth. Enjoy the opportunity to explore the land and water in a beautiful and unique place.

Duties and Responsibilities:

- Keeping different machinery fueled up and functioning
- Ensuring guests arrive and depart safely from float planes
- Handling luggage
- Dock safety and boat maintenance
- Delivering propane tanks to guest and staff cabins
- Loading & unloading freight and groceries
- Maintenance of grounds, cabins and other infrastructure
- Safely operating vehicles (ATVs, boats) and different power tools
- Independently completing required tasks
- Delivering warm customer service

Qualifications and Experience:

- Experience in construction or maintenance roles
- Professional training in a trade is valuable
- Ability to remain flexible and help solve problems as they arise
- Lodge or remote working experience is an asset
- Upholding high levels of professionalism at all times
- Demonstrating strong communication and teamwork skills
- Ability to safely lift 50 lbs
- Capacity to be an active participant in a physically demanding role
- Being comfortable living in a remote environment is a must
- A love for the outdoors is very valuable

Details:

- Seasonal contract position from June 2025-September 2025 (with some flexibility if required)
- Competitive daily wage + gratuities (discussed upon offer)
- Accommodation + meals provided
- On-the-job training and management check-ins
- Flight provided from Edmonton or Saskatoon
- On site fitness facility
- Starlink internet

Please email resume and cover letter to info@scottlakelodge.com
